Research Posters

A “Hands On” Workshop on how to make a research poster and talk about it to everyone

The CSU-LSAMP Program is a comprehensive, statewide program dedicated to increasing the number of students who have faced social, economic or educational barriers to graduating from campuses of the California State University with baccalaureate degrees in science, technology, engineering, and mathematics (STEM) disciplines. CSU-LSAMP is funded through the National Science Foundation (NSF) under Grant #HRD-1826490 and the Chancellor's Office of the California State University.

At Stanislaus State, we offer many opportunities including:

- Student Research Program
- Graduate School Preparation Program
- Math/Science Textbook Reimbursement
