

Susanna S. Epp, *Discrete Mathematics with Applications*, 4th edition
Migrating from the Third Edition to the Fourth Edition

The following table shows where exercises from the third edition can be found in the fourth edition. Almost all third edition exercises were retained for the fourth edition, but some were revised to a greater or lesser extent. These are indicated with the word “revised” following the number for the new location. Most deleted exercises are now available as Supplementary Exercises and Exam Questions. Exercises that are completely new are also indicated in the table.

| Third Edition | Fourth Edition | Third Edition | Fourth Edition |
|-----------------|-----------------------|-----------------|-----------------------|
| | 1.1.1 – 1.1.13 (new) | 1.3.1 | 2.3.1 |
| | 1.2.2 (new) | 1.3.2 | deleted |
