

15th Annual

OIT TECH FAIR

Transformational Learning Through Technology and Innovation

October 17, 2018

FDC | 10AM-2PM

Hosted by Office of Information Technology &
Faculty Development Center

The 2018 OIT Tech Fair at FDC will feature:

- Accessible Technology Presentations
- Canvas Pilot
- Technology-Enhanced Active Learning Classroom (TEALC) Pilot
- Geography Department's Drone
- Telepresence Robots
- Learning Glass
- Office365

Open to the CSU Stanislaus Campus Community.

Refreshments and coffee will be provided.

Please come and learn how the new technology is being used on campus!
