Before coming to lab, study Chapter 5 of Shiflet. Discuss each question below with your lab partners and do any computer work required.

Bring Shiflet with you to lab on Wednesday.

1. Do Lab exercise 1 on page 326 of Shiflet. Write the answers to the questions in parts (g) and (i) next to the output on the printouts you turn in.

2. Do Lab exercise 3 on page 330 of Shiflet. Turn in the listing from part (g) on Friday, along with a sample run output that includes all of the test data from part (d).
