Before coming to lab, study Chapter 10 of Shiflet. Discuss each question below with your lab partners and do any computer work required. 

Bring Shiflet with you to lab on Wednesday.

Do Laboratory Exercises 1-5 from pages 650-655 of Shiflet.

Many of the parts of this exercise include questions which you are to answer, either before making a change to the code or to interpret the results. In each case, be sure to include answers to these questions with the materials you turn in.
